

Chrysler's Cars 4 Classrooms School Fundraising program

Since 1993, Chrysler has been a proud supporter of schools helping to raise funds across the country. Chrysler's Cars 4 Classrooms provides an easy fundraising event for elementary schools. Chrysler will donate \$10 for each test drive taken up to \$2,000. Plus, schools can also earn an additional \$1,000 with our new social sharing opportunity.

HOW IT WORKS

- The program is easy! Our team provides a step-by-step package to execute a successful fundraising event for your school
- Parent-teacher group enlists volunteers to manage, promote and activate the event
- Dealer will bring Chrysler Pacifica vehicles from their inventory for the test drives and provide test drive insurance for the event
- Dealership sales personnel attend the event to help conduct the test drives and answer any questions from consumers

ENROLL NOW – SPACE IS LIMITED

- Enroll online at www.cars4classrooms.com or contact Program Headquarters toll free at (833) C4C-KIDS or email admin@cars4classrooms.com
- Program Headquarters will contact you to discuss potential event dates and a partnership with a local dealership

Enrolling does not guarantee an event. Once you enroll, program HQ will contact you to further discuss booking an event.
