What Would You Like Your School Leaders to Know?

Summer Leadership Conference

July 22, 2017

Karen Bronson, SAANYS kbronson@saanys.org

Our goal today ...

... to engage in an interactive conversation to elicit messages that you as parents would like to send to your school leaders ...

Your responses will be compiled and shared with 7000+ school leaders all across New York State through the School Administrators Association of New York State (SAANYS)

How we will proceed ...

Feel free to respond in writing to the question prompts that will be the framework of our conversation today.

I will also send you a brief survey to give you a chance to provide feedback on today's conversation and add any thoughts on the topic that you would like to have shared.
