# Look Within Yourself

Jason Kasnicki

Sometimes, when you look up,  
and see the stars above,  
flying like a dove,  
you can try to imagine being one of them.

But maybe, you do not have to.  
If you just look within yourself,  
you will discover,  
that you are already as bright as a star.

Everyone has fears.  
Do not let them conquer your dreams.  
Face them.  
Don't let them drag you down.  
Make them invisible.

Find what you enjoy doing.  
Or when oldness comes,  
and beats your hair grey,  
you will regret,  
not doing what you liked best.

Whatever your dream is,  
big or small,  
It is worth it.

P1 of 2

Make it come true.

When you fail,  
try again.

When people turn you down,  
try again.

When you look within yourself,  
and find nothing to see,  
try again.

Take the Sword of Creativity  
And knock down the Beasts of Obstacles  
To accomplish your Goal.

As each star is unique,  
so is each person.  
Stars don't have to be bright,  
every star in the sky has its own place.

So now you know,  
that you don't have to imagine,  
to be a star,  
because,  
you are already one of them.

Be your star.
