

# You Had the Power All Along ... To Be Successful with Membership

Sorry we did not have a lecture with a presentation. Instead, we had a lively discussion about what other PTAs are doing in New York State. We talked about their common practices to grow membership and came up with some wonderful ideas of our own.

If you would like information on this workshop please contact Renée Daniels, Membership Engagement Specialist for NYS PTA at [membershipengagement@nyspta.org](mailto:membershipengagement@nyspta.org)
