“New Year, New You” – Draw on NYS PTA Membership’s “Power of You” this New Years and join your local PTA unit! With the power of Membership, not only will you be ticking off one more item on your resolutions list, but you will be making a difference in the lives of all children across New York State. Be the person who makes a difference in 2024 – join PTA!

“New Year, New You” - Stop right there - don't sign up for yet another gym membership or organize your life class this January that will be forgotten before the month is out. If you really want to start 2024 off on the right foot, join your neighborhood school's PTA! Just by becoming a member, you have made an impact on the lives of students across our state by amplifying our voices as we advocate for all children. Be the person who makes a difference in 2024 – join PTA!

“New Year, New You - This January, let's all resolve to do more to help improve the lives of New York State's nearly 2.5 million children who are enrolled in our public schools. One of the easiest ways to do this is to simply become a member of your local PTA. Simply by adding your name to our rosters, you are helping to empower NYS PTA advocate for every child with one voice. It's as simple as visiting nyspta.org and clicking on the “join” button. Be the person who makes a difference in 2024 – join PTA!
